

Stand 6

High-End Loudspeaker Stand Instruction Manual

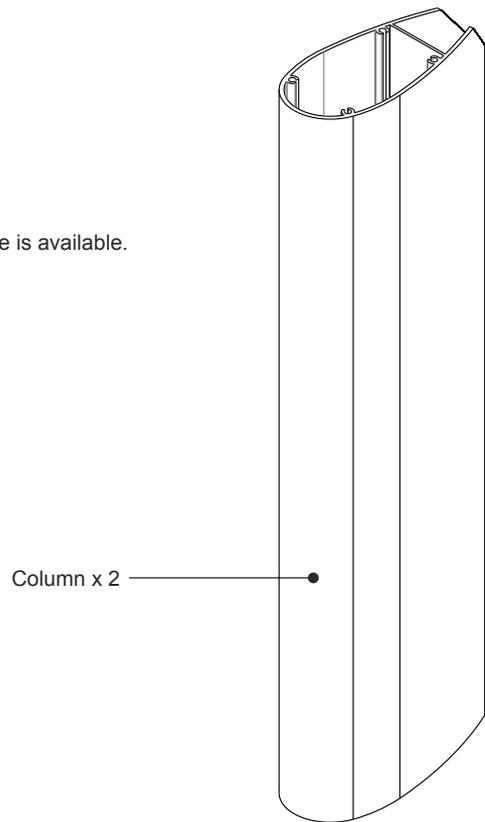

In the box

Please read these notes first:

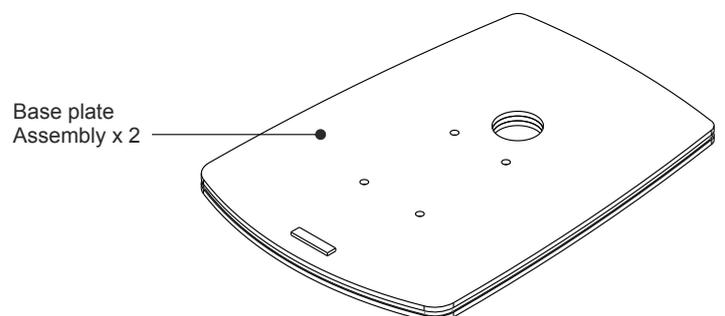

- Read these instructions carefully before installing your equipment.
- Install the stands in a suitable location on a flat, horizontal surface.
- Do not attempt to alter or modify any part of the stand or it's attachments.
- Do not use if any parts are broken or appear to be damaged.
- Tighten all bolts and fixings securely. Only use fixings provided with this stand.
- Do not mount your equipment near to sources of heat or moisture.

For mounting the Dynaudio Confidence C1 and Contour S 1.4 a matching adapter plate is available. Please contact your Dynaudio dealer or visit www.dynaudio.com for details.
